Martha Trotts is a dog walking and boarding business. The benefits of this open concept approach for the dogs and their owners has proven to be the main motivation for those choosing this service. Clients are asked to acknowledge their acceptance of this arrangement and while every precaution is taken to provide a secure and monitored service by signing below is acknowledging this arrangement.

Please note that in the future if a client's bill is not paid upon completion of the walk or boarding period Martha Trotts will retain the dog for 24 hours or until the bill is settled. Is your dog ready for their walk?

For a dog to be “ready for their walk” they **require** a collar that fits them appropriately. In saying this there should be no way for the collar to come over their ears, or be able to slip off. The brand of collar you choose to use is truly up to you. Some suggestions are: martingale, slip chain, gentle leader, haltie, prong collar. Ultimately the choice is yours. Your dog is also required to have a 6 foot leash.

If your dog does not have the appropriate attire upon pick up, a **temporary collar** will be used **once** for that particular day. You will be left with a notice that will inform you of what your dog needs for their next walk. If your dog does not have the requested attire upon pick up for next walk, your dog will not be walked and you will be charged the regular walk fee. Your dog may resume regular walks once he/she has the requested attire.

If your dog doesn't have the requested attire, this puts your dog in potential danger of getting out of their collar, running into traffic, or running away. This is for EVERYONES SAFETY.

I _____, have read the above information, I understand the above information, and agree to the above statement.
